

Covering advances in physics for 90 years!

April 29, 1918, was a historical date, when the first issue of "Uspekhi Fizicheskikh Nauk" journal saw the light of the day

The cover of the first issue published in 1918

The Conference dedicated to the 90th anniversary of the journal will be held on 19–20 November 2008 in the Conference Hall of the *P N Lebedev Physics Institute, Russian Academy of Sciences* (FIAN, Main bldg, 3rd floor, 53 Leninskii prospekt, Moscow).

The Conference agenda will be provided at a later date on the UFN web page

<http://www.ufn.ru/90years>

On this web page readers will find materials related to the history of the Journal, statistics of usage of different UFN papers (in electronic form), as well as the citation indices of a number of papers which draw special attention of the readers.

Interviews with the authors of several famous papers are published on this page.

The Editorial Board of the journal "Uspekhi Fizicheskikh Nauk" congratulates all readers, authors, partners, and staff members of the UFN Journal on this remarkable jubilee!
