

LETTER TO THE EDITOR

An annoying error, for which I am responsible, has crept into my review "Fourth All-Union Acoustics Conference," Usp. Fiz. Nauk **66**, 671-693 (1958) [Soviet Phys.—Uspekhi **1**, 298-320 (1959)]. It is stated on page 691 [page 318 of the translation]

that Messrs. H. Niese and S. Steinbach are from West Germany; they are actually from East Germany.

Please publish this letter.
